

Dear Millersburg Area School District Community,

In an effort to assist parents with making decisions about enrollment options in the fall, we have posted our [Continuity of Education Plan](#) to the District website. We recognize that there is not a "one-size-fits-all" solution that appeals to everyone. As such, our Plan provides parents/guardians with choices that will keep our students connected with their school district, their classmates, and the Millersburg Area curriculum and teachers. After reviewing the available learning options, please complete this brief [SURVEY](#) to indicate your choice of option for each student in your household for the 2020-2021 school year. We ask that you complete this survey no later than August 2, 2020.

Thank you for your ongoing support and understanding as we continue to plan for the reopening of our schools!

Sincerely,

Thomas J. Haupt

Superintendent
