

Science Lesson – April 7, 2020

Today, I would like you to please select and complete **ONLY** this issue - **A Frog Grows Up.**

I will assign more lessons in the future as part of our science lessons.

Here are the directions to access

Let's Find Out at home.

Let's Find Out

We can now access our Let's Find Out magazines from home!

Login to <https://letsfindout.scholastic.com>

Our Classroom Password is **rowe4**

Click **I am a student.** You should not need to create an account.

I will be assigning different magazines for the students to do each week.

1. Student Access

Students use a shared classroom password to access all of your activated classroom magazine resources.
