

Please attach this rubric to each report that you hand in and fill out the initial criteria.

Lab Report Rubric

Name: _____

Period: _____

Today's Date: _____

Due Date: _____

Report Title: _____

Initial Criteria	Yes (√)	No (√)
I have completed the report in pen or it is typed.		
My report was turned in on time.		
My prelab is attached and includes the title, introduction, and methods.		

Report Criteria	3 Outstanding	2 Satisfactory	1 Unsatisfactory	0 Incomplete
The report has a well written abstract or summary at the top below the title of the report. It summarizes the purpose of the experiment and the results obtained from the experiment.				
The report shows all data/results in a neat, easy to read table. All data/results are clearly shown with units.				
The report shows all graphs* of data and the graph is complete with title, axes are labeled, and units are shown; and/or: The report contains an example calculation* that exemplifies each calculation that was made to arrive at your final result. (*if necessary)				
The report contains a concise, well-written, and organized conclusion that includes information regarding the experiment completed and the results that were obtained. It should also include an explanation of your results.				
All questions have been answered completely and accurately. Questions are answered in sentence form.
