

## PHOTO, WEBSITE & INFORMATION PUBLICITY RELEASE FORM

Millersburg Area School District students are sometimes recognized throughout the school year for various academic, athletic, music, school related activities, co-curricular, and extracurricular accomplishments. With parental permission, the district acknowledges student achievements by sharing the news with the community via press releases in internal press, local newspapers, radio/television stations, and on the district/school website.

Student activities, be it extra-curricular or co-curricular, and accomplishments sometimes attract the local radio, television media, local paper, internal paper, yearbook and many others. It gives the district and the community great pride and honor to have our students featured for others to see and read. We also have a district newsletter; school activities that are recorded on DVD and a website that we wish to highlight our students' accomplishments.
